2019 Annual Meetings:

9th

European Epidemiological Forum

Barcelona (Spain)

8th October 2019

Epidemiological Forum is an international event with the aim to share knowledge on clinical observational research that has become an essential tool in the health care development processes.

2019 Annual Meetings:

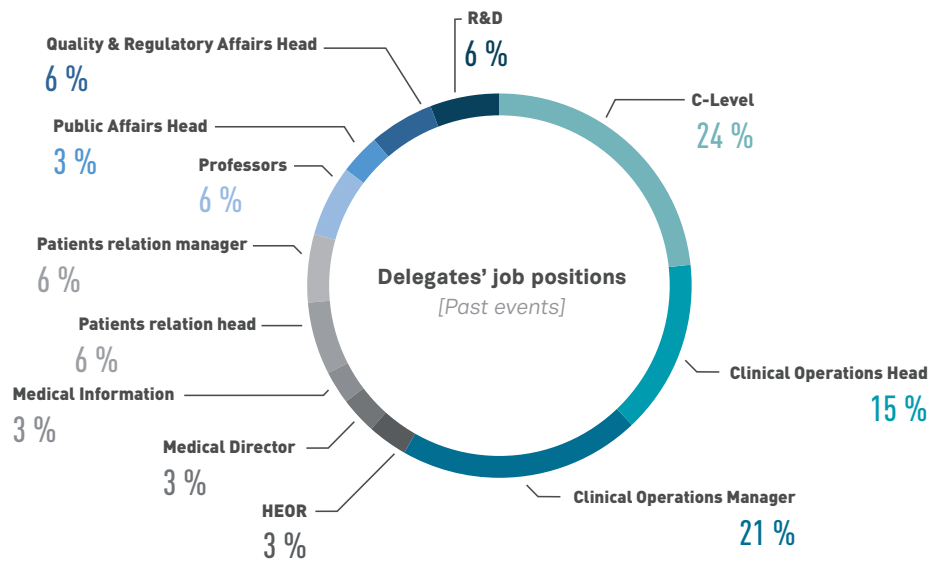

2nd

**Patient Partnering
in Clinical Development**

Berlin (Germany)

19th and 20th March 2019

Patients remain the most valuable asset in clinical development. Involving patients, their families, their associations/advocacy groups and their caregivers in clinical projects has proven to be very beneficial for all stakeholders involved. Contributions from patients have resulted in the conceptualization of clinical trials with patient-friendly aspects built into trial design. Collaborating with communities on local and regional levels may definitely help both funding, planning, recruitment and retention.

2019 Annual Meetings:

10th

**European
Statistical Forum**

Rome (Italy)

Pre-Conference Workshop

11th November 2019

Conference

12th November 2019
